### Bankers Unfolds Plan for Aiding Business.

Philadelphia, Nov. 12.—Optimism for the outlook in the financial, industrial and commercial world was expressed in reports and addresses at the opening session to-day of the convention of the Investment Bankers' Association of America. Despite the European war and the attendant hardships it is said to have caused American industry and finance, several of the speakers de-clared that the future holds forth un-usual promise, and that the low ebb

ession was past. es B. Caldwell, of Chicago, Charles B. Caldwell, of Chicago, resident of the organization, sug-ested that a \$250,000,000 pool be formed to take over stocks and bonds that might be thrown on the market by panic-stricken investors. He urged the opening of the stock exd by bankers and investors, and lected from Boston, New York, Chicago and Philadelphia. He declared that nothing would so reassure the country at large, secure the immediate opening of the stock exchanges and aid in reviving confidence as the formation of the pool.
